6. ☐ Interview Summary (PTO-413),
Paper No./Mail Date _____
7. ☐ Examiner's Amendment/Comment
8. ☒ Examiner's Statement of Reasons for Allowance
9. ☐ Other _____

Reasons For Allowance

1. The following is an examiner's statement of reasons for allowance:

Regarding claim 4, Prior Art fails to disclose of the step of determining whether the completion packet header included with each completion packet includes a completion status that indicates other than a successful and completion of the request transaction, wherein based on an indication of other than a successful completion of the request transaction, and using the completer identification in the first register and the indication in the second register to report an error condition associated with the request transaction in combination with other limitations set forth in the claim.

Regarding claims 7 and 26, Prior Art fails to disclose if an error condition exists, the transaction layer implemented at the general input/output port to include assembling a completion packet for the request transaction, the completion packet to include a completion packet header, the completion packet header to include a completion status indicating other than successful completion of the request transaction, the requester identification, the tag for the request transaction and a completer identification transmitting the completion packet to the requesting device from the general input/output port and storing the requester identification and the tag for the request transaction at a location in the completer device in combination with other limitations set forth in the respective claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue

Art Unit: 2616

fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Chirag G. Shah whose telephone number is 571-272-3144. The examiner can normally be reached on M-F 8:30-5:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Doris To can be reached on 571-272-7682. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
